

Nienhuis PARK BROKEN ARROW, OKLAHOMA SKATEPARK

Broken Arrow's Nienhuis Skate Park, located just off Lynn Lane and east of the Broken Arrow Expressway, is a one of a kind concrete skate facility designed for all levels of experience for both skaters and BMX riders. The park construction will be phased: Phase One will incorporate a large street area and a half-pipe spine ramp; and Phase Two will incorporate the Pee Wee and Advanced bowls. Construction is projected to begin early 2006 and to be completed late 2006.
